**Backend / Database:** MongoDB, Supabase

**Tools:** Git, GitHub, Vercel, Render, VS Code, SQL (Basic)

**Concepts:** Requirement Analysis, Workflow Design, Problem Structuring

## Experience

### MERN Team Member — BRIK Community

Jun 2025 – Present

- Contributed to building a startup-focused platform ("Start It Up") supporting early-stage entrepreneurs.
- Collaborated with team members to develop and improve application features using the MERN stack.
- Translated ideas into functional product features through team collaboration.

## Projects

### Movie Recommendation System

Python, Flask, React

- Collected and cleaned movie dataset using Python (Google Colab), handling missing values and structuring data.
- Performed exploratory analysis and visualizations to identify patterns in movie metadata.
- Built a content-based recommendation model using cosine similarity.
- Developed a Flask API and integrated it with a React frontend.
- Integrated OMDb API to enhance data and user insights.

### Ward Management System

React, Supabase, Vite

- Studied citizen service processes to identify inefficiencies in application handling.
- Translated requirements into a structured digital workflow.
- Designed modules for registration, eligibility verification, and tracking.
- Implemented authentication and structured data management using Supabase.

### Gym Management Website

Next.js, React, Tailwind CSS

- Developed a web platform to improve visibility and user engagement for a fitness business.
- Implemented on-page SEO practices to improve search visibility.
- Designed a "Get in Touch" system to capture user inquiries and lead data.
- Automated communication workflows using Google Apps Script and WhatsApp.

## Leadership

### Chief Marketing Officer — IEDC

Mar 2025 – Mar 2026

- Led digital outreach initiatives, improving participation and engagement.
- Enhanced communication strategies to increase student involvement.

### Chief Strategy Officer — SPACS

Mar 2025 – Mar 2026

- Planned and executed strategies for student technical initiatives.
- Coordinated teams to structure and organize activities effectively.

### Chief Social Officer — IEDC

Jul 2024 – Mar 2025

- Coordinated communication between members and leadership.

## Education

### B.Tech Computer Science

2023 – Present

College of Engineering Cherthala, APJ Abdul Kalam Technological University

### Higher Secondary (PCMB)

2021 – 2023

HSS Kandamangalam

## Interests

Sports (Cricket, Football) — Fitness — Community and Social Engagement — Technology and Digital Platforms
